SUMMARY OF TESTING METHODS AND KEY FINDINGS

Five tests per metric were completed with 5 different Practice Expert end users in mid to late 2022. These tests were aimed at demonstrating the real world functionality of the Practice Expert EMR. Tests were either done in person with a California Medical System employee, LogMeIn123, or GoToMeeting; depending upon the end users preference and locality to California Medical System's office.

STANDARDS UPDATES

No Standards Updates were implemented.

CARE SETTING

California Medical Systems markets to small and medium sized clinics, solely for ambulatory care.
